NATIONAL TRUST AIRA FORCE

Enjoy a cruise from Glenridding to/from National Trust site; Aira Force. Hop off at the pier and discover the high, dramatic waterfalls from ornate stone bridges. There are plenty of marked footpaths and routes to Glenridding and Pooley Bridge via the Ullswater Way. Home to a handful of breeding pairs, see if you can spot one of the UK's rarest animals, the red squirrel.

In 2021/22, the National Trust site will be undergoing some essential footpath repairs and a new observation deck over the waterfalls.

Please be sure to take a look at the National Trust website for the latest information before planning a trip there.

ULLSWATER WAY WALKS

All four of our piers connect to sections of the Ullswater Way; a footpath circling the entire lake. Follow the daffodil way markers from each pier to view Ullswater from a different angle. You can also enjoy the Ullswater Way loops from Pooley Bridge; Dalemain Mansion or the Lowther Castle trail, to extend your day out!

Book tickets in advance only. Visit our website for more details and to plan your visit.
