ULLSWATER 'STEAMERS' STORY

ULLSWATER

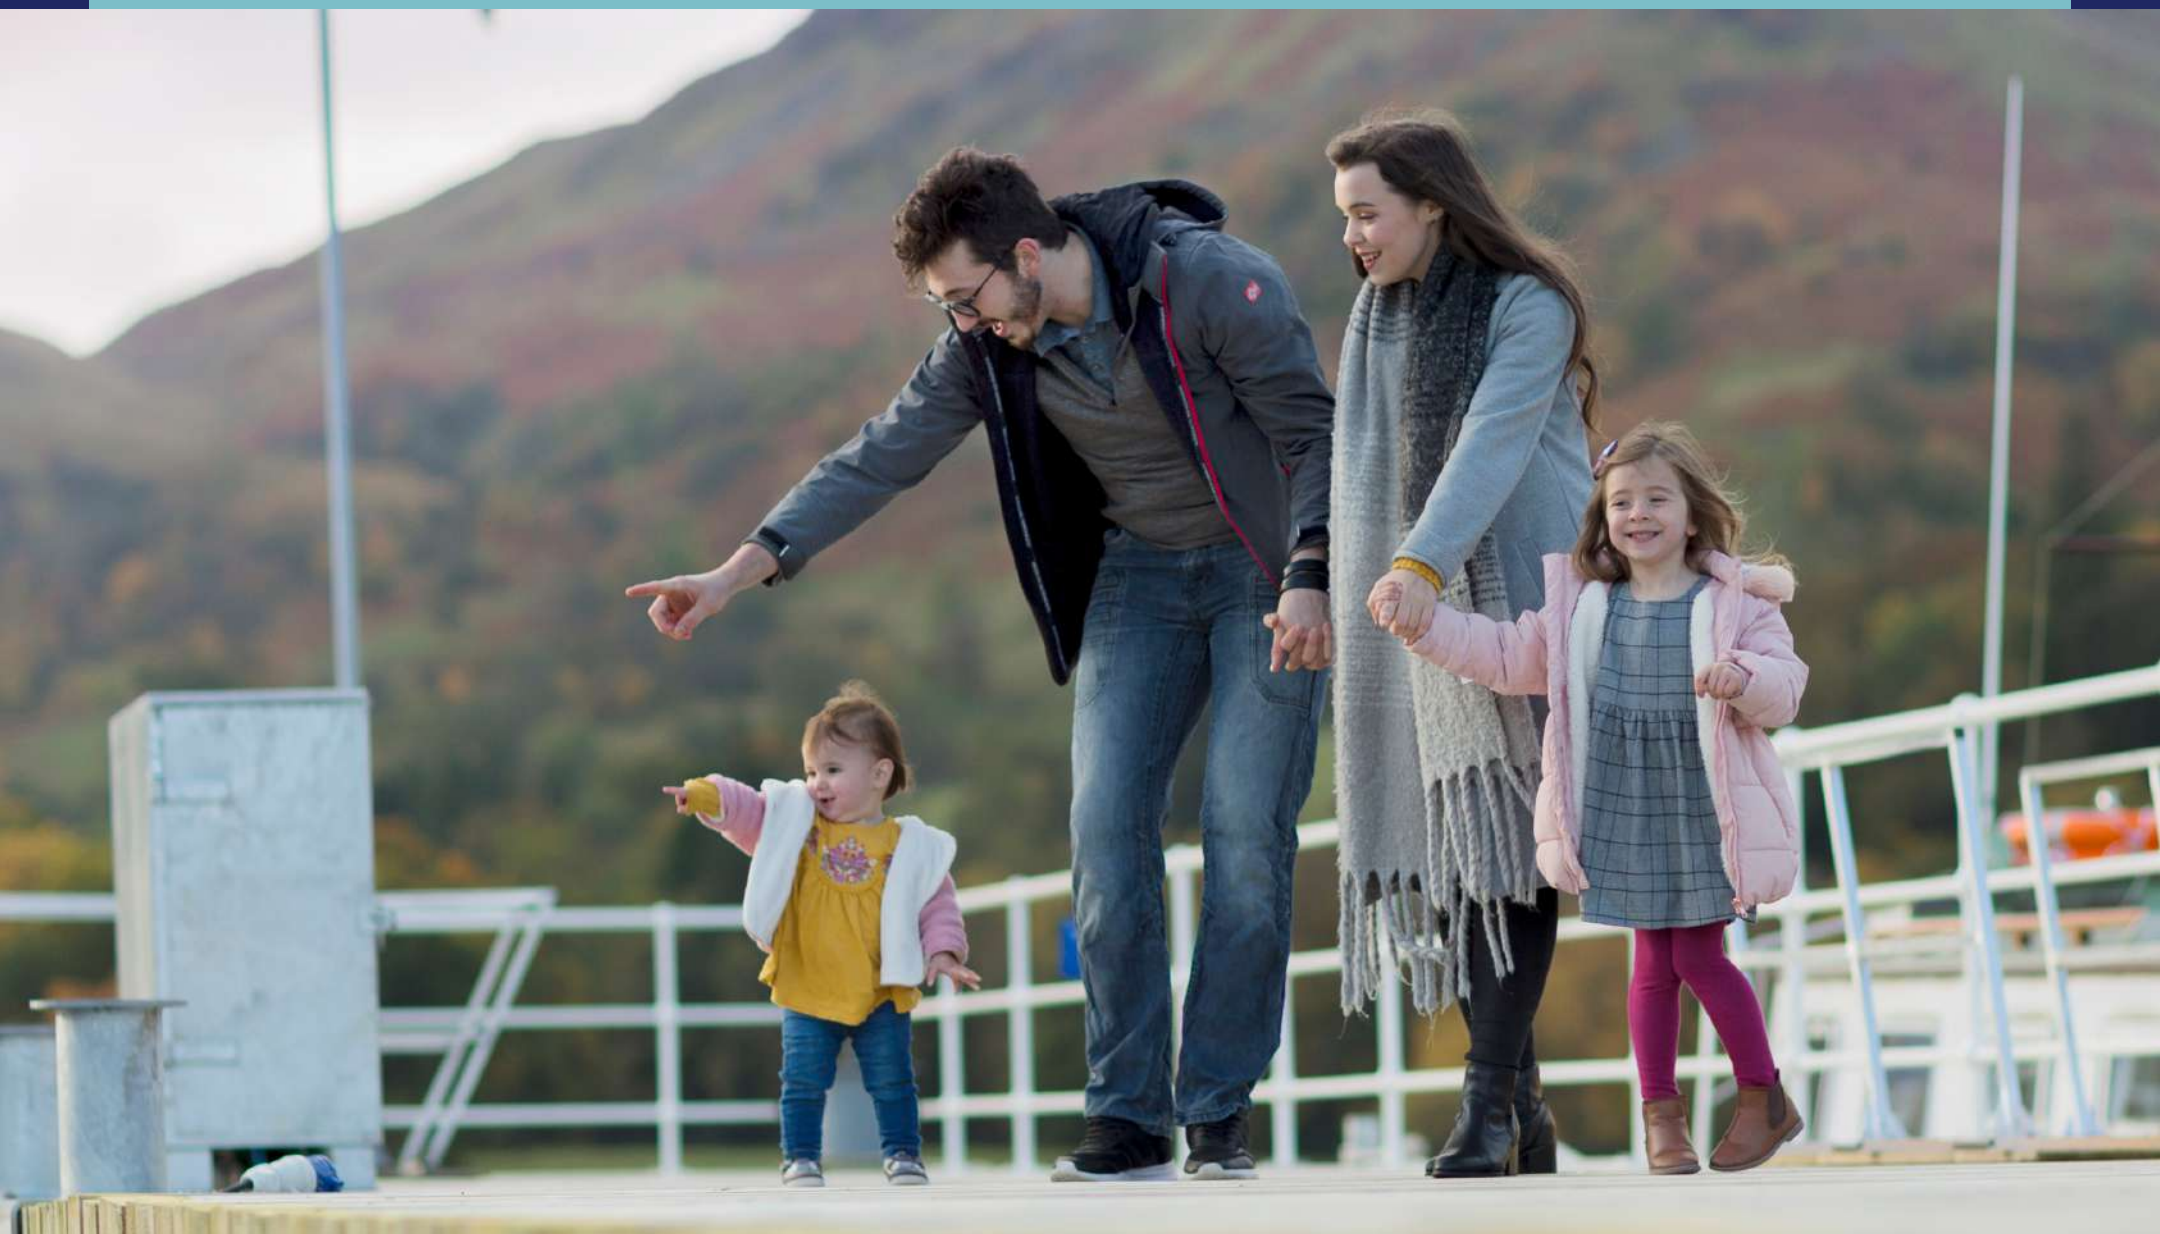

Ullswater 'Steamers' is a tourist attraction with five boats that you can sail on.

This means it is a place where I can have fun exploring the outdoors and take a boat ride on a lake called Ullswater.

I might hear:
At the entrance

Guests chatting
In the pier houses

Hot drinks being made

I might hear:

On the pier

The water lapping at the shore below

On the boat

The hum of the boat engine chugging along

Outside I might see:

On the pier

The flags on the end of the boat

On the boat

The shiney boat name plaque

Outside I might see: Along the lake shore

People with their dogs
By the entrance

The entrance sign

Inside I might see: In the pier house

A friendly member of staff Inside the boat

Views of the other boats from the window

I might smell:
In the pier house

A hot drink being made
By the lake

The earthy smell of the wet
shoreline

I might smell:
On a walk

Freshly cut grass
By the picnic benches

The smokey smell of a BBQ, yum!

I might taste:
On the boat

Some crunchy snacks
In the shop

A cold ice cream

I might taste:
At the cafe

**Delicious locally
made food**

I might touch or feel:
On the pier

The cool metal railings
By boats

The rough ropes

I might touch or feel:
On the boat

The smooth wooden seats
On the boat

The gooey hand soap

**Most of all, Ullswater
"Steamers" is a place
where...**

**I can take boat ride, spend
time with my family and
explore the outdoors.**
